

WILCOX'S IMPROVED STEAM WATER LIFTER IS A STEAM PUMP.

WITHOUT ENGINE, PISTON OR PLUNGER.

Using Steam Direct from the Boiler, without the intervention of any other machinery. It has won FOUR FIRST PRIZES at California State Fairs, within the last five years. It is used on the Central and Western Pacific Railroads, from Oakland to Ogden. It is used for Mining in Shafts, in Tunnels and in Placer Digging. It is used for Water Works, for Irrigation and Watering Stock, for House and Farm use, for Sprinkling Streets, Draining Ponds, and Pumping for Sinking Wells.

Several of the Lifters can be seen at work near Woodland.

Merits Worthy of Consideration:

CHEAPNESS.—Its cost is less than one-half that of any other steam pump of like capacity. ECONOMY OF STEAM.—It uses the exhaust steam alone for its suction, and the expansive power is applied direct to the piston and other machinery. ITS ADAPTABILITY FOR DEEP WELLS, SHAFTS AND TUNNELS.—It will lift water in wells and shafts from 100 to 200 feet in depth, and in Tunnels from 500 to 1000 feet in length, whether straight or angular. There is neither steam nor smoke escaping in the shaft.

NOT "DEANGED BY MUDDY WATER."—It will lift water from any source, and will not be deranged by mud, sand, or any other impurities. It is not liable to stop, and it will not be deranged by mud, sand, or any other impurities.

ANY PERSON CAN USE IT.—It being so simple in construction, and so easily adapted to ordinary intelligence, it can be run by any one of any capacity, from 100 to 1000 gallons per hour capacity, and for \$800 will furnish a boiler, with all necessary attachments, that will be sufficient to raise 1000 gallons of water in one hour. All other sizes correspondingly low.

Parties can see them in operation at any shop, or one at the Presidio, San Francisco, daily driving 3000 gallons per hour, and one 2500 feet, with a perpendicular rise of 100 feet.

PROPERTY ASSESSMENT.—There has been some misunderstanding as to the mode of assessment to be pursued by the County Assessors this year, but the instructions issued by the State Board of Equalization will settle all difficulty in that respect. Their circular says: "Some doubt has arisen upon the construction of the first article prescribed by the State Board of Equalization for the government of Assessors. It was not intended to have property assessed at its full cash value, as, with the present State rate of taxation, it would be too burdensome to the people. The rule was only meant to define the true meaning of the law, and to provide for the estimate of full cash value, in the columns provided for that purpose, in the form of assessment roll transmitted by this Board of Assessors. The State Board will direct certain Assessors to assess at an increased per centum, and those Assessors who shall not receive immediate instructions may assess at the per centum upon which the last year's assessment was made in their respective counties."

WOODLAND DEMOCRATIC CLUB.—At the call of the President, Jason Watkins, about thirty members of the Woodland Democratic Club met on Saturday evening, at their Club Room, over J. V. Lewis' Saloon, when an invitation being extended for membership 28 additional names were added to the roll. Speeches were made by several members on the issues of the day, and the utmost harmony and good feeling prevailed. These meetings will be kept up regularly, are held with open doors, and the public are most cordially invited to attend. Democrats openly discuss and fearlessly maintain their principles. Before adjourning it was ordered that an election for a full corps of officers be held at the regular meeting on Wednesday next, April 15th.

TOURNAMENT AT KNIGHT'S LANDING.—We learn that a grand picnic tournament is to come off at Knight's Landing on Wednesday next, April 15th, consisting of field sports, athletic exercises, etc., after the style of the old Roman Gladiators, under the management of Col. Flournoy. Some twenty or more knights will contend for the honors, and by them a Queen and Maids of Honor will be selected. It will doubtless be a very pleasant affair, and as it will be largely attended, we would suggest that those who can make it convenient provide themselves with refreshments. Everybody is invited to attend the tournament.

LAND MATTERS.—The Sacramento Union of Wednesday last says: "There was a large gathering of Yolo County men and others at the United States Land Office yesterday, to watch the proceedings which were in progress to prove the character of the land in township 9 north, range 12 east, Yolo county parts of which had been purchased by parties from the State as swamp and overflowed land. Other parties, principally the Central Pacific Railroad Company, claim that it is not swamp land, but that it was never listed to the State, and belongs by grant to the railroad company. The case will occupy several days, doubtless."

Mr. Editor:—You were mistaken last week in stating that that gobbler taking to his nest of eggs at Buckley was influenced by the woman's rights lecture. It has since been ascertained that that nest is a branch nest of the Owls, and is under the supervision of the Great Grand Screech Owl, and cared for by its majesty with the most paternal interest, it being the first trial of the eggs, and if they fail to hatch he thinks it to be attributed to the evil influence of the Doves, but if they hatch successfully he will acknowledge their paternity.

"GREAT FORTUNES AND HOW THEY ARE MADE."—This book, mentioned by us recently, has been received and sufficiently examined to enable us to pronounce it a decidedly valuable work. It sets forth the experience, to some extent, of many of the most prominent capitalists of the time, and tells how they have amassed their fortunes. Mr. Wm. Crowell is the only agent in this county and will call upon residents shortly with a copy of the work. The price is \$4, elegantly bound in cloth, neatly printed and finely illustrated.

CATHOLIC MAY-DAY PICNIC.—We learn that arrangements have been made with the Cal. P. R. Co. to put on an extra train to carry passengers to the Catholic May-day Picnic on the 23d of May, at Davisville, both from Sacramento and Woodland. The hour of departure, etc., will be hereafter announced. Tickets will also be issued from Marysville and intermediate stations at half rate.

M. E. SARABATH SCHOOL ENTERTAINMENT.—The receipts above expenses were over fifty dollars. The management take this method of publicly tendering their thanks to all who so efficiently aided in the entertainment, and especially to Mr. Stone, for the successful and appropriate manner in which the various tableaux were conceived and executed.

COUNTY ASSESSOR.—J. J. Ammons, County Assessor, has commenced the annual assessment of property, and has appointed D. B. Goode of Woodland, Robert McGowan of Washington, and J. W. Parramore of Knight's Landing, as Deputies. Mr. Ammons' office is at the Court House, in the County Surveyor's rooms.

EXCURSION.—About fifty persons availed themselves of the cheap fare, (\$3 down and back), and went to San Francisco on the excursion, on Tuesday last, in aid of the Methodist Church of Sacramento.

COUNTY TREASURER'S QUARTERLY SETTLEMENT.—A. C. Keen, County Treasurer of Yolo County, settled with the State for the quarter ending May 31st, by paying into the State Treasury \$2,862.31.

ATTENTION U. A. O. D.—A special meeting of Dodona Grove will be held at their hall on Sunday afternoon, April 16th, at 3 o'clock, when every member is requested to be present.

TICKLED.—The *Mail* is very much tickled over the repeal of what it calls the "whisky ordinance," why, we are not informed—perhaps from sheer love of "the gentleman."

EPISCOPAL SERVICES.—Rev. Mr. Hill, Episcopal, of Sacramento, will hold divine services at the Methodist Church in this place on Sunday, April 23d, at 3 o'clock P. M.

PAID UP.—We learn from Town Marshal Lawson that the saloonkeepers at all paid their licenses like men, notwithstanding a statement to the contrary in the *Mail*.

GO ORDINANCE.—To-day the Marshal will "go after" the dogs, and all that are found running at large without the license collar on will have to "come down."

SPRING STYLES.—We call attention to the advertisement of Jacobs & Meyerson, who have opened a large stock of the latest styles of Spring and Summer goods.

WATER WORKS.—As the pumping goes on the water increases in volume. It now rises to within ten feet of the surface and is becoming clearer.

WINTER'S BALM OF WILD CHERRY is a pleasant remedy for every kind of cough, cold, and irritation of the breathing apparatus. It is a safe remedy; it is a powerful remedy; it is a speedy remedy; it is a remedy that cures.

Religious Services.—CHRISTIAN CHURCH—Elder J. N. Pendegast, Services at the Chapel every Sabbath at 11 A. M. and 7 P. M. Sunday School at 9 A. M. Prayer meeting every Thursday evening at 7 P. M.

CONGREGATIONAL CHURCH—Preaching every Sunday, Washington Hall, by Rev. S. R. Ross, at 11 A. M. and 6:30 P. M. All are invited. Sabbath School immediately after the morning services.

GOOD SCHOOLS.—Those desirous of securing a home in Woodland for the purpose of educating their children, or for any other purpose, will do well to call upon Nathan Elliott, immediately. He has a four-acre tract of land, with a good comfortable house, a brick cellar above ground, a cistern that will hold 300 barrels of water, a good barn, chicken house, etc. 2½ acres of alfalfa, fig, pear, peach, apricot and shade trees, including the olive, and one acre of foreign grape vines in bearing, which he offers for sale cheap and on easy terms. J. H. Asberry, a Daughters.

BORN.—In Woodland, April 8th, to the wife of James Asberry, a Daughter.

At Cache Creek, April 7th, to wife of R. E. Tutt, a Daughter.

In Woodland, April 8th, to the wife of George Cuthbert, a Son.

SPECIAL NOTICES.—For Coughs, Bronchitis and Consumption, in its early stages, nothing equals Dr. Pierce's Alt. Ex. or Golden Medical Discovery. It is also a great blood purifier and skin cleanser, for "Liver Complaint" and "Biliousness." For all such ailments it is unequalled. MAN AS A BAROMETRICAL THERMOMETER. Science has failed to invent any apparatus as accurate as the human body for measuring the weather. It is therefore of vital importance to the human race that the human body be kept in the best of health for this purpose at all times. If taken as a protection against the disturbing influence of sudden alterations of heat and cold, it will certainly prevent the bowel complaints, fevers, bilious disorders, rheumatic affections, and throat diseases, arising from these causes.

BEAR IN MIND.—When disease has undermined the health, and the physical system has become prostrated, a stimulant that will not only strengthen, but remove the cause, should be immediately resorted to. Mental distress is also a fruitful source of the breaking down of the constitution, and the ravages of this enemy to health are truly alarming. For all such maladies Hostetter's Stomach Bitters have been found unsurpassed. By acting directly upon the digestive organs, they remove the heavy, disagreeable feeling after eating, so often complained of by persons of a delicate temperament. As soon as digestion is restored, the patient finds his strength increasing, and his general health improved.

Thousands of persons testify that it may be relied on in all cases of weakness or nervous debility attendant upon sedentary habits. Prove the character of the land in township 9 north, range 12 east, Yolo county parts of which had been purchased by parties from the State as swamp and overflowed land. Other parties, principally the Central Pacific Railroad Company, claim that it is not swamp land, but that it was never listed to the State, and belongs by grant to the railroad company. The case will occupy several days, doubtless."

Mr. Editor:—You were mistaken last week in stating that that gobbler taking to his nest of eggs at Buckley was influenced by the woman's rights lecture. It has since been ascertained that that nest is a branch nest of the Owls, and is under the supervision of the Great Grand Screech Owl, and cared for by its majesty with the most paternal interest, it being the first trial of the eggs, and if they fail to hatch he thinks it to be attributed to the evil influence of the Doves, but if they hatch successfully he will acknowledge their paternity.

"GREAT FORTUNES AND HOW THEY ARE MADE."—This book, mentioned by us recently, has been received and sufficiently examined to enable us to pronounce it a decidedly valuable work. It sets forth the experience, to some extent, of many of the most prominent capitalists of the time, and tells how they have amassed their fortunes. Mr. Wm. Crowell is the only agent in this county and will call upon residents shortly with a copy of the work. The price is \$4, elegantly bound in cloth, neatly printed and finely illustrated.

CATHOLIC MAY-DAY PICNIC.—We learn that arrangements have been made with the Cal. P. R. Co. to put on an extra train to carry passengers to the Catholic May-day Picnic on the 23d of May, at Davisville, both from Sacramento and Woodland. The hour of departure, etc., will be hereafter announced. Tickets will also be issued from Marysville and intermediate stations at half rate.

M. E. SARABATH SCHOOL ENTERTAINMENT.—The receipts above expenses were over fifty dollars. The management take this method of publicly tendering their thanks to all who so efficiently aided in the entertainment, and especially to Mr. Stone, for the successful and appropriate manner in which the various tableaux were conceived and executed.

COUNTY ASSESSOR.—J. J. Ammons, County Assessor, has commenced the annual assessment of property, and has appointed D. B. Goode of Woodland, Robert McGowan of Washington, and J. W. Parramore of Knight's Landing, as Deputies. Mr. Ammons' office is at the Court House, in the County Surveyor's rooms.

EXCURSION.—About fifty persons availed themselves of the cheap fare, (\$3 down and back), and went to San Francisco on the excursion, on Tuesday last, in aid of the Methodist Church of Sacramento.

COUNTY TREASURER'S QUARTERLY SETTLEMENT.—A. C. Keen, County Treasurer of Yolo County, settled with the State for the quarter ending May 31st, by paying into the State Treasury \$2,862.31.

ATTENTION U. A. O. D.—A special meeting of Dodona Grove will be held at their hall on Sunday afternoon, April 16th, at 3 o'clock, when every member is requested to be present.

TICKLED.—The *Mail* is very much tickled over the repeal of what it calls the "whisky ordinance," why, we are not informed—perhaps from sheer love of "the gentleman."

EPISCOPAL SERVICES.—Rev. Mr. Hill, Episcopal, of Sacramento, will hold divine services at the Methodist Church in this place on Sunday, April 23d, at 3 o'clock P. M.

PAID UP.—We learn from Town Marshal Lawson that the saloonkeepers at all paid their licenses like men, notwithstanding a statement to the contrary in the *Mail*.

GO ORDINANCE.—To-day the Marshal will "go after" the dogs, and all that are found running at large without the license collar on will have to "come down."

SPRING STYLES.—We call attention to the advertisement of Jacobs & Meyerson, who have opened a large stock of the latest styles of Spring and Summer goods.

WATER WORKS.—As the pumping goes on the water increases in volume. It now rises to within ten feet of the surface and is becoming clearer.

WINTER'S BALM OF WILD CHERRY is a pleasant remedy for every kind of cough, cold, and irritation of the breathing apparatus. It is a safe remedy; it is a powerful remedy; it is a speedy remedy; it is a remedy that cures.
